VINEYARD INFORMATION

Trinity Oaks Cabernet Sauvignon was sourced from premier California vineyards in Lodi and coastal counties that use sustainable growing practices. Cover crops like flowers, oats, & barley are grown between the grape vines to naturally enrich the soil, boosting ripeness within the fruit. The cover crops also lure beneficial insects to the area, protecting the vines from predators.

TASTING NOTES

Dark, enticing aromas of ripe blackberries and juicy raspberries. Notes of green olive, dried herbs and vanilla complement robust black cherry flavors. This wine is full-bodied with a smooth, rounded finish.
