### PARTNERING WITH TREES FOR THE FUTURE SINCE 2008

Trinity Oaks is the brand you can trust to deliver quality wines using sustainable practices. Our wines are crafted using sustainable practices, making them non-GMO, gluten free, and vegan. Dedicated to helping our environmental future, Trinity Oaks plants trees for every case of wine sold. Since 2008, we've worked with Trees for the Future to plant more than 25 million trees.

### VINEYARD INFORMATION

Trinity Oaks Merlot was sourced from premier California vineyards in Lodi-Delta and the Central Coast that use sustainable growing practices. Cover crops like flowers, oats, & barley are grown between the grape vines to naturally enrich the soil, boosting ripeness within the fruit. The cover crops also lure beneficial insects to the area, protecting the vines from predators.

### TASTING NOTES

Aromas of luscious black plum lead to juicy red cherry flavors complemented by notes of herbal spice, tea and vanilla. Full-bodied with a lingering finish.
